

Boothwyn, PA – On Monday, February 4, Congressman Joe Sestak (PA-07) presented the Boothwyn Fire Department Company with an Assistance for Firefighters Grant for \$70,015 from the U.S. Department of Homeland Security's Federal Emergency Management Agency (FEMA). The federal funds will be used for safety and operational improvements. — “I am pleased to present this check to Chief Montella and to the members of the Boothwyn Fire Department,” said Congressman Sestak. “Their profession is characterized by the 'dignity of danger,' and these funds will go toward giving them the important resources they need to do their jobs, protect the public, and maintain their own safety while doing so. Furthermore, I'd like to commend them on their commitment to public service and to protecting their community.”

Founded in 1915, the Boothwyn Fire Department today is made up of more than 50 brave men and women who daily risk their lives to protect their neighbors.
